Travel Rep:

- Rep coaches meeting will be second week of august.

Equipment:

- Atom jerseys, we will be a little short so we may have to use some novice.

- Tim Hortons jerseys, Bob has reached out to Derek for numbers so they can be ordered.
- Game pucks: they have traditionally been full colour. Rick had previously ordered them. We will not have enough to get through the season. Pricing for 500 \$1.55-1.90 per puck depending on which puck is chosen. If we remove the full colour logo it will go down considerably.

Ice Convenor:

- Ice schedule has been made. Some scheduling of teams back to back has been done so they can share practices if they want to.
- A few changes still to be made, but not many. Depending on how many more kids are to register. What is planned for teams right now could change.
