

MTMHA Board Meeting
Tuesday May 4, 2021 7pm via Zoom

Online: Geoff, Derek, Hugh, Greg, Brian, Jay, Jason, Marty, Kaylen, Charlene

Hugh welcomes Brian and Jay, our new members to the board.

Hockey Operations: Greg

- Once we learn more from the province and OMHA on how we can proceed with our season we are ready to go as we normally have.
- When we have a better idea of registration numbers, we will know what is needed from Walpole for ice time.
- Once Rep and AE coaches are interviewed, we will put our applications and start the process for local league.
- Would recommend we get some communication out as soon as possible for families of new registrants regarding the mandatory training required. Respect in Sport and Gender Identity/Expression training.

President: Hugh

- Had been in contact with OMHA regarding opening registration and charging fees. They advised that the new system will be ready to go for June 1st and we are to go forward. There will be a 4-payment option or 1 in full option. Payments will come out on the first of every month.
- Registration will run June 1-July 31
- Jason asking about coaches' certifications and training. Hugh-we will have to wait and see what the OMHA is going to do yet. Most things will likely be online.
- Email received that the referee organization is trying to work on getting something online for certifications. We will post when more info is available
- Will touch base with Jim to be sure everything needed is ordered. Jerseys etc.

OMHA: Derek

- All the teams are set up for the upcoming season
- Rep, AE and 4 Quad County per age group
- U9, U8, U7 and IP we have requested 6 teams
- We can make adjustments mid-November and get a refund from OMHA for teams not needed

Risk Management: Geoff

- Nothing to report or update
- Thank you to Marty for assisting with the polls for the AGM

Director of Travel Teams: Marty

- Would like to have a coaching application deadline of June 4th.
- Hoping to have interviews shortly after that and everything firmed up by the beginning of July.
- This will leave time for Quad County to submit applications and interviews if necessary.
- Looking to have a panel again for the interview process, felt that worked well last season. All will be reviewed with the Hockey Committee afterwards.
- Derek recommends getting U9, U8, U7 and Instructional applications out as soon as possible that way it will be known what training is required.

Director of Communications: Kaylen

- Nothing to update. Anyone who needs anything posted, let her know.
- Moving May 28, so anything needing posting needs to be in prior as she may be disconnected/unavailable for a couple days.

Volunteer Coordinator: Charlene

- Chicken dinner raised about \$2100 and we sold 250 meals

Past President: Jason

- Reminder that police checks will be needed for those who are applying to volunteer

Motion to adjourn: Jason, 2nd Derek
