### **Corporate Donations**

Any solicitation of funds from a corporate donor by a MTMHA member must only be from their place of employment. All members are expected to express interest in approaching their employer to the Director of Sponsorship before making any requests to their employer.

Any member of MTMHA is not to solicit donations from any corporation other than his/her employer.

Any team receiving a corporate donation must report it on their team budget and state what it was used for.

Any team receiving a corporate donation under \$1001.00 is eligible to keep 100% of the funding given. This funding must be used in accordance with any stipulations set out by the corporate donor. If no directive is provided by the donor, this funding can be used to offset the expenses associated with a regular hockey season including tournaments etc. but must be split equally per player when offsetting team fees. The funds can not be used to supplement the financial needs of individual families. If there are funds left at the end of the year in the team account, the donation money will be considered spent first and the remaining balance will be considered left over team fees and can be returned to the players. If the entire team fee is returned at the end of the season, and there is still donation money left over, it must be spent equally on each player on the team. Donation money cannot be returned to players at the end of the year. The money can be spent on swag etc., unless the donor has stipulated what it can be spent on.

Any team receiving a corporate donation over \$1001.00 must report it to the VP of Finance for approval. Any team receiving a donation over \$1001.00 must be approved by MTMHA Finance Committee to determine the amount that the team is allowed to keep.

Teams are not permitted to use the corporate donors name or logo in any form of advertising for the team.
