"Perry's Wild 3 on 3 Hockey is my favourite type of hockey because I get to play with and against my friends. I love getting to play full ice, and I like that there are not as many players with 3 on 3. It's so much fun! and I like when Brock refs our games."

"I like how we have so much room to skate and make plays. It is very fast and we have to make good plays to compete. We cannot slow down and it allows me to try different moves on the ice. And it's so much fun!"

Cole Doyle

"I love it because there's no practices and I can score more goals."

Jackson Fraser

"I like playing with my friends and I like playing against my friends and seeing if I can score on them."

Kensley Philipsen

Our family loves Perry's 3 on 3 hockey program! The smaller teams and open ice give the kids so much room to skate and develop their skills. The pace is fast, exciting, and keeps them fully engaged the whole game. It's amazing to see how much confidence and teamwork they've built while having so much fun. The atmosphere is positive and focused on the love of the game — exactly what youth hockey should be about. We look forward to this program every season!!

Amy Reinders Parent

Fewer players on the ice, more space to be creative, less players on a team and it all adds up to more room to skate, shoot and score!
