August 20th, 2025

Hello my name is \_\_\_\_\_ and I am a current member of The Mooretown Minor Hockey Association for the 2025/2026 Season. This year I will be playing on the \_\_\_\_\_ team. We will have new jerseys this year, and we are so excited to wear them. We have a new opportunity to have our jersey sponsored by a business, and I am hoping that you will consider being the business to sponsor my jersey!

Your generous sponsorship will cover the cost of my uniform for the season. It will also provide your business with advertising exposure in our community, as well as communities across Ontario.

Thank you for your consideration.
