Mooretown Minor Hockey Association (MTMHA) Jersey Program 2025-26

MTMHA and the Board have voted that the organization will move to player purchased jerseys for the 2025-26 hockey season.

1. Players will be required to purchase custom jerseys and socks, pictured below, for \$175. U5 and U7 players will not be required to purchase. This purchase will be required and included as part of the HCR registration process.
2. Once a player officially registers with MTMHA, a link will be provided for a player to order custom jerseys which will include custom name, number and size.
3. Each age grouping will have numbers 1-68 & 70-98 available. Numbers will be available on a first come first served basis. Players will select their top three number choice and MTMHA will make every effort to accommodate.
4. MTMHA will host fitting days for players and families to pick the appropriate size.
-Fitting days will be held during spring tryouts on May 3, 4 & 5.
5. A third set of jerseys will not be an option for any team during the 2025-26 season.
6. June 15th will be the deadline for our spring jersey order. A fall jersey order will also be placed in early September.
7. Families have the option to have personal jerseys sponsored by local businesses. MTMHA has developed a letter requesting a \$250 jersey sponsorship.
Expected Practice:
 - all teams will have a bank account eg/"MTMAHA U13 B"
 - sponsors will submit jersey sponsorship money to the team account
 - team managers will organize and install sponsorship bars on jerseys (managers will be given size, location and company options to complete the installation of sponsorship bar).
 - teams will return the remaining sponsorship funds directly to the family.
8. MTMHA has used fundraising money to help subsidize the cost of registration. Over \$40,000 has been used to *reduce* registration. The subsidy essentially funds jerseys for all families with the money saved from reduced cost of registration. If fundraising efforts continue, MTMHA plans to continue subsidizing the cost of hockey. Please see the "MTMHA Financial Plan" for more information.
