Dressing Room Guideline for Atom and Older

It is this association's duty to adhere OHF Dressing Room Policy September 2016, which states:

“All players have the right to utilize the dressing room in accord with their gender identity and gender expression and that meets their individual needs. If, due to building constraints and despite the best proactive efforts of 'Mooretown Minor Hockey Association', a dressing room that meets a player's individual needs is unavailable, it is the responsibility of 'Mooretown Minor Hockey Association', with support from the Ontario Hockey Federation, to work in collaboration with the player to find an appropriate and equivalent changing area.

This may include the MTMHA working with facility management on behalf of the player to find an appropriate and equivalent changing area to ensure a player's needs are met and their right to inclusion and equal treatment are respected.”

In addition, at no time after the Novice age group shall mixed gender change in the same locker room.

All separate change facilities must be safe and supervised.

It is recognized that pre and post-game participation is important, therefore all players shall be present 10 minutes before and 10 minutes after the game, integrated as one team in a common area (probably a designated dressing room).

During this time players shall be dressed. It is the coach's responsibility to coordinate this.
